

CONNECTA RAIL

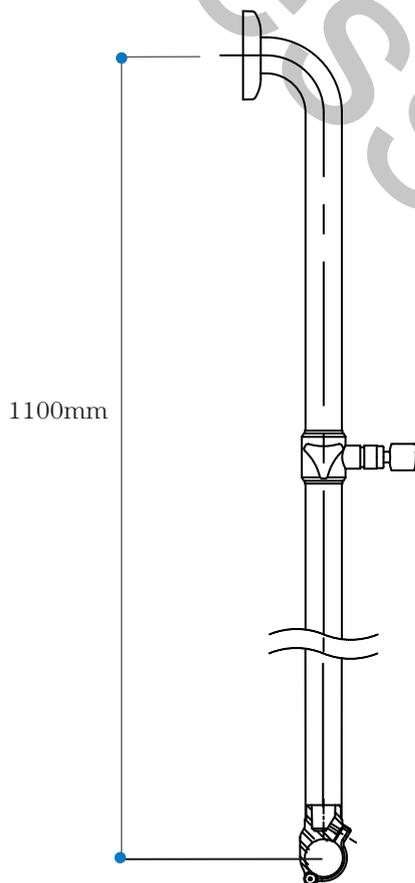

Connecta Rail

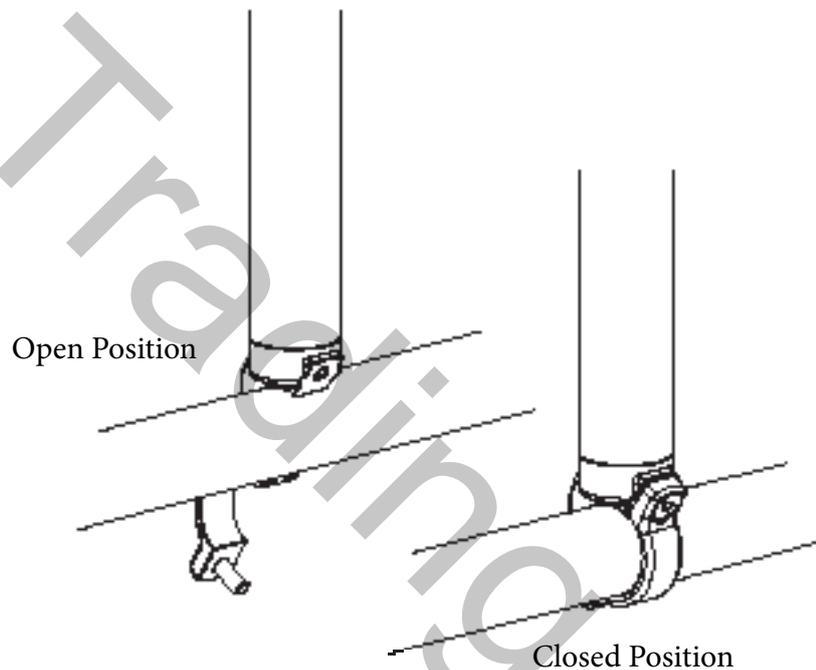

Vertical Shower Grabrail

Features

- The connecta rail was designed so that the vertical shower grabrail can be placed in a position of choice.
- Using the connecta rail makes the installation process a lot less cumbersome for the builder.
- The connecta rail is more economical for shipping.
- The connecta rail is a registered design.
- The connecta rail is designed to satisfy all the requirements of Australian Standard 1428.1-2009 (Design for Access and Mobility) and the access provisions of the Building Code of Australia 2011.

Easy to install.
